Re: Charter Fiberlink SC-CCVII, LLC ("Charter Fiberlink")

Request for Cancellation of Certificate of Public Convenience and Necessity

Dear Ms. Boyd:

On February 27, 2004, in Order No. 2004-95 issued in Docket No. 2003-334-C, the Public Service Commission of South Carolina (the "Commission") granted Charter Fiberlink a certificate of public convenience and necessity authorizing the provision of intrastate local exchange and interexchange telecommunications services in South Carolina.

Charter Fiberlink does not have any customers in South Carolina and does not intend to provide telephone services in South Carolina in the future. Charter Fiberlink respectfully requests that the Commission cancel its certificate of public convenience and necessity and any tariffs previously submitted by Charter Fiberlink to the Commission. Please be further advised that this request does not affect Charter Fiberlink SC-CCO, LLC, an affiliated entity which, pursuant to its certificate of public convenience and necessity separately conferred by the Commission, continues to provide telephone services in South Carolina. Accordingly, grant of Charter Fiberlink's request is in the public interest and no customers will be affected by cancellation of Charter Fiberlink's certificates and tariffs.

Enclosed are the original and eleven (11) copies of this letter. Please file the letter in your usual fashion and return one (1) file-stamped copy to us in the self-addressed, stamped envelope. By copy of this letter, we are notifying the South Carolina Office of Regulatory Staff of Charter Fiberlink's request. Should you need additional information, please contact the undersigned.

Sincerely,

Charles A. Hudak
